Dear Sir:

This is to compliment your firm on its efficient adjusting of the recent fire loss suffered by our clients, the proprietors of Marrell's Mr. Chicken restaurant in Valparaiso, Indiana.

The manner of your work in this case and the sums realized from the fire policies were very satisfactory, inspite of the difficulties concerning the valuations on personal property and the co-insurance penalties.

Very truly yours,

CONOVER, CLAUDON & BAHLMANN

Roger K. Claudon
