Re: Sheraton Motor Inn -
Fire Loss

Dear Earl;

Please find herewith our check No. 880, dated October 25, 1976, in the amount of \$6,000., which is equal to 4% of the \$150,000. we received from Commercial Union Assurance Companies last Friday, October 22, 1976.

Those of us here at First Federal and South Central, Mr. Robart, Mr. Von Deylen, Mr. Burt, and myself, want you to know that we greatly appreciate and admire the professional manner in which you performed your responsibilities on our behalf in this matter. Now that the claim is settled in total, we are completely satisfied that one of the best decisions made by us on this problem was to retain your company as our representatives in the loss.

Earl, we not only feel that you and your people did an excellent professional job for us in settling this claim, but we also feel that we have had a rewarding personal relationship with you and your son, Stuart, who undoubtedly is becoming very professional in your business under your guidance and leadership. Among the turmoil and frustrations of the loss settlement, we have indeed enjoyed working with and knowing you and Stuart.

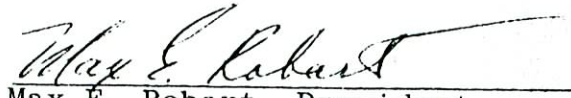

Please feel free to use this letter in any manner you deem appropriate in your profession. Also, please feel free to have any of your potential clients call on us for our personal opinion of the job you did for us.

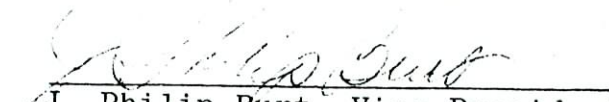

Very truly yours,

SOUTH CENTRAL ENTERPRISES, INC.
